5. a) Read the following passage and answer the questions given below. 8

If we take a balanced view of education, we shall recognize that games and sports are an integral part of it. Education aims at the development both of body and mind and prepares us to meet the challenges of life boldly and successfully. We shall certainly fail to meet this challenge if we take a lop-sided view of education and excludes games and sports from it or do not pay them the attention due to them our mind will develop, though certainly not to its full potential, but our body will not. It will in course of time waste away and fall a prey to Several disease. We will, than only exist and not live.

Questions:

- i) What are an integral parts of education?
  - ii) What does education aim?
  - iii) What shall happen if we take a lop-sided view of education and excluded games and sports from it?
  - iv) Give suitable title to the passage.
- b) What is advertisements? 8
